

Painting with Watercolour

Beginner and Intermediate

Topic 8: The Sky's the Limit

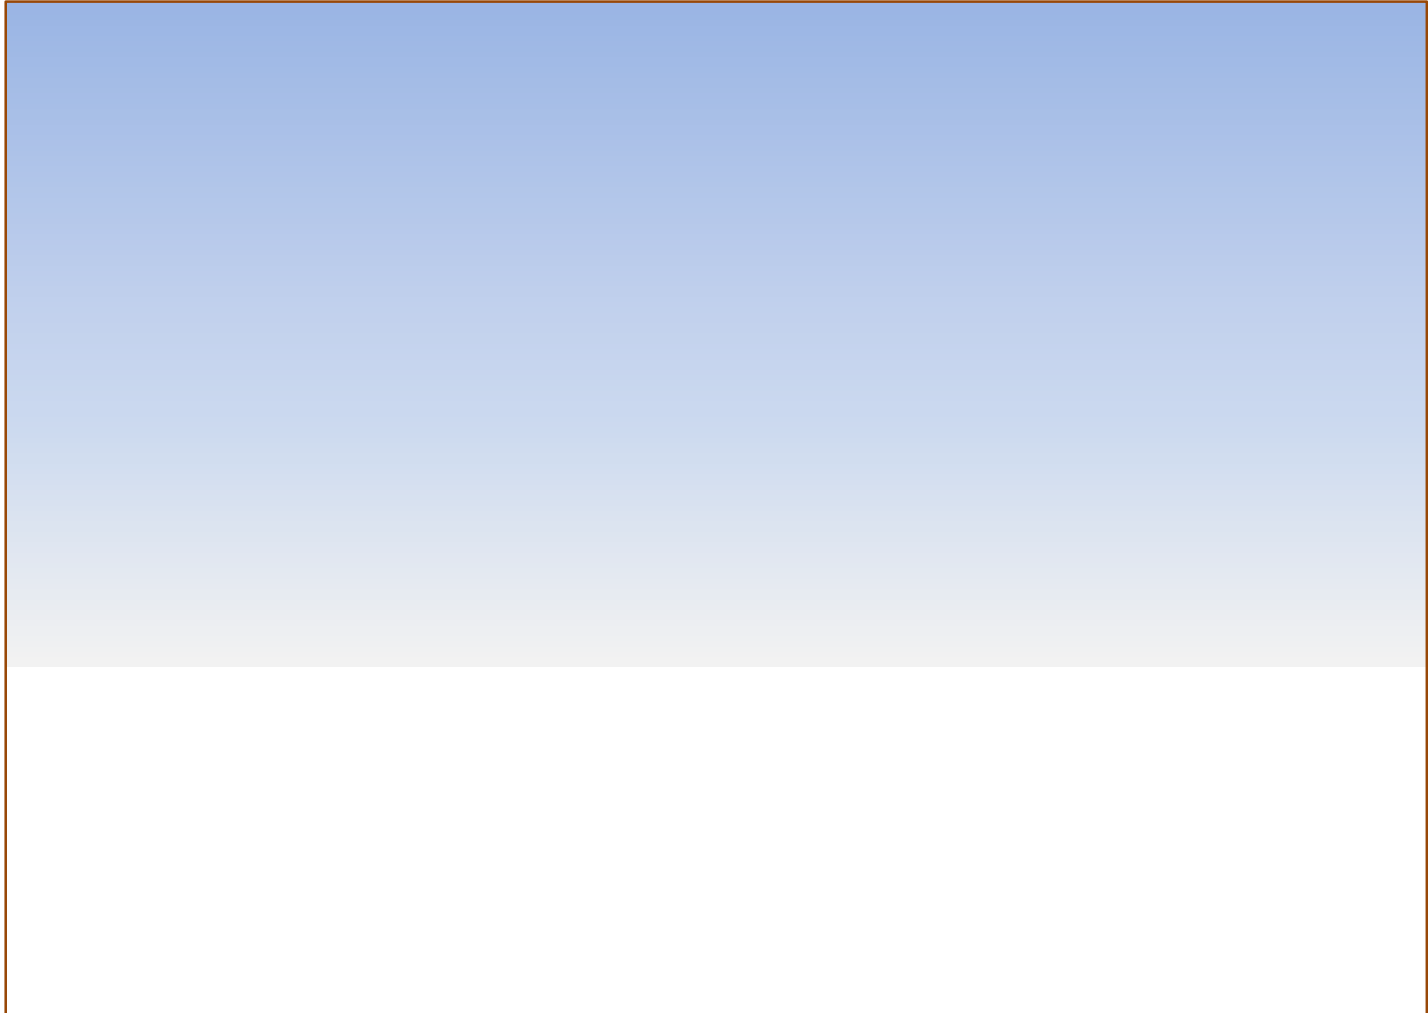

Instructor: Allan Loder

● Techniques for Painting Watercolour Skies

- Washes
- Importance of Pigment Load
- Creating the Illusion of Distance
- Forming Clouds
- Common Problems

Demo

Important Reminders:

- ★ Always wet your brush before picking up paint
- ★ Never leave your brush standing in water, even when you're painting
- ★ Mix your paint on your palette, not on the paper

Exercise: Create a watercolour Sky
